Le Sueur Chamber Chat

Dear Chamber Members:

I am excited for the opportunity to serve as your Chamber Executive Director! I have called Le Sueur my home all my life. I served on the Chamber board for two years while working for the Le Sueur-Henderson school district until a job opportunity working for all Minnesota School Districts presented itself and I started working outside of town. I enjoyed the process of planning events and promoting the businesses of Le Sueur and am looking forward to being a part of Chamber once again. I have always felt a strong connection to Le Sueur and I truly believe our town is a great place to work and live. I look forward to working with you to achieve the Chamber's mission of existing "to promote the Le Sueur area and serve as a connection to businesses, community institutions and organizations, and people."

Sincerely,
Jackie Fahey

Dear Chamber Members:

As we all know, 2020 has been a "different" year. There have been many changes and many cancelations to everyone's plans. Many of us now know what it is like to work from home in our pajamas. We also know how hard it can be to juggle work and our home life as they now both exist under the same roof. However, the good news is that 2020 is almost over and we have a chance to make a fresh start. With this fresh start we are excited to announce that we have hired Jackie Fahey as our executive director. We are also excited to announce some of our goals for the 2021 year and they are: new lower tier based membership pricing, updated website to redirect people to local businesses, updated Chamber Chat, larger social media presences, additional promoting of local businesses, and businesses to host our monthly meetings. In order to accomplish these goals and because of 2020 budget cuts, the Chamber will be making some changes. These decisions were tough for all of us to make, and we hope that everyone can understand. Moving forward, the executive director position will be part-time and working from home. The Chamber will be closing our physical office and we will make a larger digital footprint in order to help our businesses grow. We are very excited to implement these ideas to help our businesses grow and to achieve our goals, and we ask for your continued support as we make the changes necessary to facilitate this growth. Lastly, the Chamber would like to once again thank Julie Boyland & Linda Endres for their years of service and dedication to the Le Sueur community!

Billy Exline
Current President – Le Sueur Chamber of Commerce
Vice President – CornerStone State Bank

We hope that 2021 brings good health and open businesses.

Wishing you a successful and glorious new year!

You may have noticed recent posts about the new paint throughout the building. Now we are asking everyone to help us Deck the Halls of the Community Center!

We would like you to draw, paint, or color an 11x17 mural (picture) that we can display in the building. This mural can be anything that the Community Center represents to you, different programs, or activities you like to do here or anything that positively showcases Le Sueur as a community. This could be a family project or something to keep the kids busy over the holiday break.

Murals can be dropped off at the Community Center Monday -Friday 7am to 5pm. The deadline to turn in your creations is January 18th.

If you need supplies (poster board or crayons/ markers), please email Allison at awatkings@cityoflesueur.com and we will get supplies ready for you!

We cannot wait to see your designs!
